

August 21, 2008

Dear Coaches:

The start of the indoor soccer leagues is almost upon us! The Rising Stars Sports Center is proud to be opening our doors for those teams who wish to participate in league play, youth teams as well as adult teams. The first session youth league will begin the weekend of October 24, 2008. A coaches meeting is scheduled for Sunday October 5, 2008, 7:00 pm at the Rising Stars facility. For this meeting all coaches are required to have a completed team application, and for each player, a Waiver & Release form and a Medical Information form. A deposit of \$ 250.00 or full payment is also required at this time. If a deposit is made, full payment and a photo roster are due before the start of the first game. Teams without the roster and full payment will not be able to take the field. A completed photo roster must be turned in for each team before the start of the first game.

Enclosed is a sheet with our current costs. Due to rising prices there is a slight increase in fees, but in appreciation to all of our supporters we have tried to keep this increase to a minimum.

All forms for the registration of teams are available on our Rising Stars website www.risingstarssc.com.

We have been requested to run a short session for adults only, starting the second week in September and running through the last week in October. This league will contain a Men's division and a co-ed division. If any teams are interested, please contact us as soon as possible.

We look forward to seeing our last session teams and welcoming the new teams. We are grateful for the ongoing support you have all given us and in return we are excited to start our addition, which we hope to have completed by the end of October to mid November. In this addition surfaced with the Pro Gym flooring, we will be able to house other sports such as basketball, volleyball, and in-line skating just to name a few. The facility will also be installing batting cages for team or individual use. With continued participation the possibilities are endless!

.If you have any questions about the leagues or you need to schedule practice times please cal the Rising Stars Sports Center 381-3096 or Shari Conestabile 336-0861. We look forward to seeing you soon.

Sincerely,

The Rising Stars Soccer Club Board
