Playoff Tie Breaker System

The following system will be used when breaking a tie after regulation time:

1. A coin toss will determine which team kicks first.
2. At the end of regulation, each team will remove two players and play a three minute sudden victory overtime period.
3. If no one scores in the first overtime period, a final non-timed sudden victory period will be played. Prior to the start of this final non-timed period, each team will remove one additional player. A goal keeper, who must be dressed differently from the others, must always be one of the persons on the field.
4. Substitutions are allowed, as in the regular play, as described in Law III.

ADULTS ONLY ADDITIONAL RULES

1. In the sudden victory tie breaker overtime, one female player is required on the field of play at all times.
If a team does not have the required females, the team plays short by the number of females missing.
